GENERAL TECHNICAL INFORMATION

Both races will be **Middle Distance** and will be held in the map Burgohondo Este, made by the Russian mapmaker Viktor Dobretsov in the year 2016, which has been corrected and updated to ISOM 2017-2 rules in October 2019.

Terrain is just perfect for a middle distance, with very good visibility and runnability. Many rocky details.

Course setter: Svetlana Mironova.
